

HOUSTON BLACK DEAF ADVOCATES
ANNUAL HOLIDAY PARTY
DECEMBER 12, 2009
HOUSTON PUBLIC LIBRARY
HOUSTON, TEXAS

Dr. Shirley Allen, president of HBDA, was explaining what the word, Christmas, means to her. She mentioned that we tend to forget about Christ and focus too much on the "mas" (which in Spanish means, more)

The Houston Black Deaf Advocates enjoyed their annual Christmas party. There were about 20 adults and several children, in attendance. A variety of party sandwiches and soft drinks were served and all seemed to have enjoyed themselves.
