

In The Eye of the Beholder: The Gallaudet Protest 2006

In 2006, Gallaudet faced a crisis never seen before after the 9th president was announced. Deaf staffers and faculty at Atlanta Area School for the Deaf decided to make a collaborative "videoskit" entirely in ASL about the different perspectives of the 2006 Gallaudet protest event. This DVD is accompanied with a transcript and a booklet with questions for educational discussion and learning extensions. It is also great for adults as part of a rap discussion.

For grades 7 and up.
